## EDUCATION

### Gitam university Visakhapatnam

Bachelor of Technology in Computer Science-7.19 CGPA

Visakhapatnam, AP

2021 – 2025

### Narayana Junior College

Board of Intermediate-8.5 CGPA

Hyderabad, TS

2019 – 2021

### Jaya High School

Secondary Board of education-8.7 CGPA

Suryapet, TS

March 2019

## INTERNSHIPS

### Frontend Developer Intern

Jun 2024– Aug 2024

SmartEd

Remote

- Contributed actively to the design and development of web applications, showcasing proficiency in frontend technologies.
- Translated company and customer requirements into functional and visually appealing interactive applications
- Developed practical experience in frontend development during the internship at SmartEd

## PROJECTS

### Ecommerce Web Application | React Js,Node Js

May 2024– June 2024

- Developed a responsive user interface using React.js and Tailwind CSS, with efficient state management through Redux for seamless data flow and enhanced user experience.
- Implemented robust user authentication and authorization using JWT tokens, and integrated Cloudinary for efficient image storage and delivery, optimizing application performance.
- Created and managed RESTful APIs with Node.js and Express.js for handling user authentication, product management, and order processing.

### Food Delivery Web Application | React Js,Node Js

March 2024– April 2024

- Developed a responsive user interface using React.js and Tailwind CSS, and implemented Redux for state management, ensuring seamless access and a consistent user experience across various devices.
- Utilized JWT tokens for secure user authentication and authorization, integrated Cloudinary for efficient image storage and optimization, and incorporated the Stripe API for secure and efficient payment processing.
- Created and managed RESTful APIs with Node.js and Express.js for handling user authentication, menu management, and order processing

## TECHNICAL SKILLS

**Programming Languages:** Java, Python, C

**Frontend:** HTML, CSS, JavaScript

**Database:** DBMS,SQL,MySql

**Version Control tools:** Git,Github VS Code

**Soft Skills:** Communication,Team Collaboration,Self-Motivated,Team player,Problem-Solving,Fast learner,Critical Thinking

## CERTIFICATES

- Meta Frontend Developer Certificate – Coursera
- What is Data Science – Coursera
- Tools for Data Science – Coursera

## TRAINING

- \* Currently undergoing Full-Stack Java Development training at CODE BEGUN, Madhapur, Hyderabad.
- \* Focusing on frontend (HTML, CSS, JavaScript, React) and backend (Java, JDBC, Servlets) technologies
- \* Includes real-time project assignments, debugging practice, and hands-on tools like Git and VS Code
